

Primary PE and Sport Premium

In March 2013 the government announced that it was to provide additional funding of **£150 million per annum** for academic years 2013 to 2014 and 2014 to 2015 to improve provision of physical education (PE) and sport in primary schools in England

For our school that would equate to £8000 plus an additional £5 per pupil from year 1 to year 6.

The vision being that all pupils leaving primary school are physically literate and have the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.

2014 - 2015

In the academic year beginning in 2014, Burlish Park split the funding in two different ways.

Allocation of funding	Benefits/Impact
<p>1/3 of the money was pooled along with funding from many of the local schools into the Wyre Forest School Sport Partnership (WFSSP).</p>	<ul style="list-style-type: none"> ➤ A strong network of local schools to share expertise, facilities and resources (including the use of the England Netball Dome, all weather athletics track, dance mats, rock-it-ball sticks to name a few) ➤ Regular updates regarding national PE and Sport issues from the Partnership manager ➤ Membership to the Youth Sport Trust ➤ Support from the local high school designated PE and School Sport Coordinator ➤ Support from a specialist Primary PE trained teacher ➤ Access to local competitions and festivals <p style="margin-left: 20px;">These festivals included targeted groups of pupils</p> <p style="margin-left: 20px;">Less active</p> <p style="margin-left: 20px;">Pupil Premium</p> <p style="margin-left: 20px;">Special Educational Needs</p> <p style="margin-left: 20px;">Gifted and Talented</p> <p style="margin-left: 20px;">Low self esteem</p> <p style="margin-left: 20px;">Middle ability</p> <ul style="list-style-type: none"> ➤ Access to CPD opportunities for support staff and teachers ➤ Access to leadership training for young leaders ➤ Access to Cross Curricular initiatives including developing grammar through sport
<p>2/3 of the money was spent on employing a PE</p>	<ul style="list-style-type: none"> ➤ TA accompanied teams/groups to a total of 18 events during

<p>and Sport Teaching Assistant</p>	<p>the year which meant the class teachers were in the classroom teaching, ensuring High Quality First Teaching</p> <ul style="list-style-type: none"> ➤ The TA ran a before school Change for Life club for less active pupils for 4 days of the week. ➤ TA taught a targeted maths intervention group and used sport as a vehicle to enhance the learning. ➤ The TA's lunchtime was timetabled so that he could be outside at lunchtimes to deliver more organised games. He also accompanied the pupils into the dinner hall and had the time to talk to them about their dinner and what they should be eating. ➤ The TA was competent and confident after training to teach lessons when staff were out on courses etc. This has also taken place when class teachers have needed to spend one off lessons working with a select intervention group. ➤ The TA took responsibility for organising the school rowing team who entered a monthly national competition. ➤ The TA assisted with the year 3 swimming lessons to help the pupils make more accelerated progress.

In 2014 - 2015 100% of pupils participated in at least one level 1 (Inter-house) event and over 60% of pupils in KS2 represented the school at a festival/competition. Over 30% of pupils in KS2 experienced leadership opportunities.

PE and School Sport at Burlish Park

Burlish Park has been awarded the Gold School Games Mark for the previous three years. This demonstrates the school ethos regarding PE and School Sport and its vision and passion around the subject. It strongly believes in the link between healthy bodies and healthy minds and is aware of the positive contribution PE and Sport can play in the all round development of the pupils.

The curriculum is broad, balanced and up to date and it is designed to enable pupils to become physically literate as they leave Burlish Park.

Pupils develop their fundamental movement skills in the early years (locomotion, stability and object control) and as they grow they combine these skills into complex movements before applying these skills into sport specific areas as they reach year 5/6.

Each class has one of their two PE lessons taught by a specialist PE teacher ensuring high quality teaching and learning. The other lesson is taught by the class teacher who is mentored and assisted by the specialist.

There are numerous opportunities for pupils to represent their house at over 10 different sports throughout the year as well as participating in leadership opportunities and attending festivals and competitions.

The school has links with a number of local sports clubs and we often have coaches in to provide the pupils with different experiences including golf, squash, tennis, cricket, rugby, football, lacrosse and athletics to name a few.

In year 5 and 6 pupils have the opportunity to further develop their Outdoor and Adventurous Skills, for example:

- Visiting local woodlands to build shelters and cook on stoves
- Abseiling and climbing at Malvern Elements Education Centre
