

Primary PE and Sport Premium

In 2014 the government announced that it would provide another £150 million to improve provision of physical education (PE) and sport in primary schools in England for the academic year 2015 – 2016. This brings the total for 2013 – 2016 to £450 millions.

For our school this equated to £8000 plus an additional £5 per pupil from year 1 to year 6.

The vision being that all pupils leaving primary school are physically literate and have the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.

2015 - 2016

In the academic year beginning in 2015, Burlish Park split the funding in two different ways.

and Sport Teaching Assistant

year to ensure class teachers stay in the classroom teaching, ensuring High Quality First Teaching. Over 25 events were attended.

- The TA will ran a before school Change for Life club each week day morning for less active pupils.
- The TA taught intervention groups using sport as the vehicle to engage the learners.
- The TA's lunchtime was timetabled so that he could work with groups during lunchtime who find play challenging and assisted these with their development both physically and socially.
- The TA taught year 6 pupils for PE having shadowed the PE specialist in previous years to ensure High Quality teaching and learning.
- The TA was officially trained to teach swimming and taught his own group at the pool which minimised group numbers in the pool which ensured the best progress of the pupils.
- The TA was first aid trained so when taking groups of pupils out to festivals/competitions, he was able to respond to accidents and injuries.
- The TA assisted in PE lessons with the specialist to help the progress of the less able and also the gifted and talented.
- The TA developed the healthy eating aspect of the wider challenges related to PE and ran after school cooking clubs and in curriculum time projects such as National Egg Week.
- The TA worked closely with the disadvantaged pupils to help develop their understanding of a healthy lifestyle and worked closely with the local Tesco and Leisure Centres to access projects such as the Juice Bike.
