

Primary PE and Sport Premium

In 2015 the government announced that it would provide another £150 million to improve provision of physical education (PE) and sport in primary schools in England for the academic year 2016 – 2017.

For our school that would equate to £8000 plus an additional £5 per pupil from year 1 to year 6.

The vision being that all pupils leaving primary school are physically literate and have the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.

2016 - 2017

In the academic year beginning in 2016, Burlish Park split the funding in two different ways.

Allocation of funding	Benefits/Impact
<p>1/3 of the money was pooled along with funding from many of the local schools into the Wyre Forest School Sport Partnership (WFSSP).</p>	<ul style="list-style-type: none"> ➤ We were part of a strong network of local schools which enabled expertise, facilities and resources to be shared (including the use of the England Netball Dome, all weather athletics track, dance mats, rock-it-ball sticks to name a few) ➤ We were given regular updates regarding national PE and Sport issues from the Partnership manager ➤ We had membership to the Youth Sport Trust which provided us with resources and case studies to which improved our work ➤ We had support from the local high school designated PE and School Sport Coordinator throughout the year (who ran after school sessions and provided different year groups with sporting opportunities) ➤ We had support from a specialist Primary PE trained teacher ➤ We accessed local competitions and festivals <p style="margin-left: 40px;">These festivals include targeted groups of pupils</p> <p style="margin-left: 40px;">Less active</p> <p style="margin-left: 40px;">Pupil Premium</p> <p style="margin-left: 40px;">Special Educational Needs</p> <p style="margin-left: 40px;">Gifted and Talented</p> <p style="margin-left: 40px;">Low self esteem</p> <p style="margin-left: 40px;">Middle ability</p> <ul style="list-style-type: none"> ➤ We accessed CPD opportunities for support staff and teachers which improved the quality of teaching and learning ➤ We accessed leadership training for young leaders who then went on to provide more purposeful playtimes for younger

	<p>pupils and who helped organise L1 competitions</p> <ul style="list-style-type: none"> ➤ We accessed Cross Curricular initiatives including developing grammar through sport which helped the KS2 pupils with the SAT's revision.
<p>2/3 of the money was spent on employing a PE and Sport Teaching Assistant</p>	<ul style="list-style-type: none"> ➤ TA to accompanied pupils to all the events scheduled during the year to ensure class teachers stayed in the classroom teaching, ensuring High Quality First Teaching. Over 30 events were attended and therefore 65% of pupils represented the school ➤ The TA ran a before school Change for Life club each week day morning for less active pupils which improved their attendance and readiness for learning ➤ The TA taught intervention groups to help less able pupils to develop their fundamental movement skills. ➤ The TA's lunchtime was timetabled so that he could work with groups during lunchtime who found play challenging and assisted these with their development both physically and socially. ➤ The TA taught year 6 pupils for PE having shadowed the PE specialist in previous years to ensure High Quality teaching and learning. ➤ The TA is first aid trained so when he took groups of pupils out to festivals/competitions, he was able to respond to accidents and injuries. ➤ The TA assisted in PE lessons with the specialist to help the progress of the less able and also the gifted and talented. ➤ The TA developed the healthy eating aspect of the wider challenges related to PE and ran an after school cooking club and in curriculum time, he led projects such as National Egg Week with support from 'Let's Get Cooking'. ➤ The TA worked closely with the disadvantaged pupils to help develop their understanding of a healthy lifestyle and worked closely with the local Tesco and Leisure Centres to access projects such as the Juice Bike.
