Burlish Bookworms

2nd February 2018

At Burlish Park we have always encouraged reading. We hold regular reading challenges, hold family reading sessions and even create whole topics around a book. Over time, our books become extremely well read and we need to replace them. We have done a lot of fundraising over the past few years to try and rejuvenate some of our classroom book corners; our Key Stage 1 book corners now look fantastic!

This month, we have launched a crowdfunding appeal. Your child will have come home with a leaflet that you can pass on to a place of work and friends/families that own their own businesses. We are offering incentives to businesses that support us.

Our children say:

"We would love some new books as we want to discover different authors."

"New non-fiction books would help us research topics such as space."

"Sometimes it's really frustrating as we would like to read more books from a series."

Please support us by spreading news of our Crowdfunding campaign through your own social media accounts and help all children at Burlish Park develop a lifelong love of reading.
