

Helpful websites for Mathematics

<https://whiterosemaths.com/for-parents/> - White Rose Maths for Parents. White Rose Maths is the scheme we use to support Maths teaching in school. Here is a link for parents and carers, which includes various support materials for use at home.

https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/335158/PRIMARY_national_curriculum_-_Mathematics_220714.pdf - The National Curriculum for Mathematics for KS1 and KS2. Here is the Government curriculum for Mathematics in KS1 and KS2.

https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/596629/EYFS_STATUTORY_FRAMEWORK_2017.pdf - Statutory framework for the Early Years Foundation Stage. This document contains the framework for Mathematics for the Early Years and Foundation Stage.

<https://www.mathlearningcenter.org/apps> - Maths Learning Center.

<https://www.didax.com/math/virtual-manipulatives.html> - Didax.com

These websites have free virtual manipulatives similar to ones used in school, such as number frames, Base Ten and place value counters.

<https://app.seesaw.me/> - Seesaw Online Learning Platform – This link takes you to Seesaw. We use Seesaw in school, as an online learning platform. This will allow you to keep in touch with your child's teacher and get updates on some of the tasks carried out in school. Teachers may also post help videos for both pupils and parents to assist with homework.

<https://trockstars.com/> - TTRockstars. We use TT (times-tables) Rockstars in school to support the teaching of times-table knowledge. From here your child can login and play a variety of games designed to support the learning of times-tables. Parents/Carers can also create their own accounts.

<https://www.bbc.co.uk/bitesize/primary> - BBC Bitesize. This website includes many helpful videos and lessons parents can use to support learning.

<https://www.teachactive.org/> - Teach Active (previously Active Maths). This website is used in school to supplement the teaching of Maths. Many of the tasks use an outdoor setting and involve the children getting active. A large amount of Maths homework set across school will come from this website.
