Headteacher

10th September 2025

Dear Parents/Carers,

Year 6 visit to RAF Museum Cosford STEM workshops – Tuesday 11th November

We are pleased to inform you that we have arranged an exciting educational visit for Year 6 to the RAF Cosford Museum. The visit is scheduled to take place **Tuesday 11th November**, and promises to be a highly engaging and educational experience for the pupils.

During the trip, the children will take part in two professionally led STEM workshops:

- **STEM – Coding: LEGO SPIKE Prime Robotics**
- **STEM – Rockets: The Science of Forces and Motion**

These sessions are designed to be highly practical and hands-on, offering real-time testing of the students' work. The workshops will encourage student enquiry, teamwork, and problem-solving in a dynamic, multi-sensory environment. Taking place within the museum's impressive hangar space, the activities will allow pupils to showcase their creativity and learning. The trip will cost a total of **£6**. We would like all money to be received by **Thursday 23rd October**.

In addition to the workshops, students will have the opportunity to explore the museum's exhibitions and visit the gift shop. If your child would like to purchase a souvenir, they may bring up to **£15** that they will be responsible for.

We will travel by coach and your child will need to arrive at school at the usual time of 8.40 am. We will leave the museum at 2pm with the aim to return to school ready for pick up at 3:15pm. Should this change, due to traffic you will be informed via Seesaw. All children must be in full school uniform and have an appropriate coat. They will also need a packed lunch and plenty of water to drink. If your child has free school meals, please indicate if you would like us to provide a packed lunch on the reply slip.

We are really looking forward to a great day out with your children. Thank you for your support.

Yours sincerely,
Miss Ramsden and Miss Motteram

Year 6 visit to RAF Museum Cosford STEM workshops.

Please return to school as soon as possible and no later than Thursday 23rd October.

Child's Name: _____ **Class:** _____
(Please tick as appropriate).
