Headteacher*

Dear Parents/Carers,

As geographers, Year 3 pupils have been learning about where our fruit comes from. As part of our topic, we will be exploring how fruit gets from the farm to our homes. As part of this project, we have been given the fantastic opportunity to visit to Vine Farm, near Tenbury Wells.

3H will be going on the trip on Thursday 2nd July and 3G will be going on Friday 3rd July.

During this visit, pupils will be given a tour of the orchards, where they will be asked to identify different fruit and trees. They will also investigate the process of turning the fruit from the trees into the produce we use at home, such as jam, jelly and juice. Finally, the children will be able to taste-test some of the apple juice produced by the farm. We will also be having a picnic in one of the farm's orchards before we return to school.

We will leave school at approximately 9:00am and return by 1.30pm. A packed lunch and a drink will be required. If your child receives Free School Meals a packed lunch will be provided, please contact the office for your choice of sandwich.

It is important the children wear **long trousers** and sensible shoes for the trip. Pupils may also require waterproof jackets and wellies if it has been wet or a good coating of sun cream and a sunhat should the weather be warm. Please check the forecast before we leave, the British weather requires a bit of everything!

This is a fantastic educational visit. We will be travelling on the school minibuses, which keeps the costs to a minimum. The cost of the visit will be £3. If insufficient contributions are made it will be necessary to cancel the trip, as it is not financially viable. Please make this payment online via ParentPay.

Yours sincerely,

Mr Hopes and Mrs Griffiths

I give permission for _____ to attend the trip to Vine Farm.

I have paid on ParentPay ☐

Any allergy information for taste testing _____

Any additional medical information _____
