National Space Centre

Last Tuesday, Year 5 visited the National Space Centre in Leicester. It was an early start, but it was well worth it when we got there, as we encountered real life rockets, an amazing astronaut show in their planetarium and even saw an actual astronaut toilet! The children had an immense amount of fun and have not stopped talking about it since.

Jenson said, "I think it was a brilliant day. It was so good I'm going again with my family."

Lia said, "The best part of the day was watching the film in the planetarium, it was fun when it felt like we were spinning round."

Woodland Trust

Year 3 visited Wicton Farm this week where they planted trees. Henry, age 7, said,

"We planted trees as they make oxygen for us. We had to dig really deep holes and support the trees with a stake."

Achievements

Isla Cartwright-Walsh, 2H, has completed her 10 metre swimming badge.
